

30-Day Less Sugar Challenge

A little sweet here and there can be a real treat! But sugary drinks, snacks, and desserts tend to be low in nutrients and high in calories. All of that can really add up. So let's satisfy that sweet tooth with better-for-you options that fuel your body—the natural way.

When you're ready to start your challenge, your mission is simple: Aim to **choose a lower-sugar option** each day for 30 days in a row. You could swap out a sugary treat for a low-sugar alternative, or you might just choose no-sugar-added foods and drinks throughout the day. It's okay if you miss a day here and there, just do your best to try out this new habit. Get ready for a sweet experiment!

Check off all the days when you chose a lower-sugar food or drink option.

Click the squares on the left side of each day, or print this out and fill them in by hand.
